**Call (866) 779-6121 or email questions to  
[COVID-19@flhealth.gov](mailto:COVID-19@flhealth.gov).**

## **Masks Available from the Florida Department of Health**

The Florida Department of Health (FDOH) has received **15 million reusable cloth masks** to aid in decreasing the spread of COVID-19. These masks are for distribution in your community or other communities in the state of Florida.

You may request as many as your agency can distribute. We encourage you to share this information with other organizations in your community as well as the concentric circle in which you move.

This opportunity is available to any and all residents of Florida. Please share this information to as many agencies, churches, religious groups, fraternal and social clubs and other organizations as possible.

If you or any of your partners would like access to these materials, please submit your request to Samantha Cooksey ([Samantha.cooksey@flhealth.gov](mailto:Samantha.cooksey@flhealth.gov)) via email; and be sure to copy Walter Niles ([walter.niles@flhealth.gov](mailto:walter.niles@flhealth.gov)) and Jana Shamburger ([jana.shamburger@flhealth.gov](mailto:jana.shamburger@flhealth.gov)) on your request. This will allow the office to monitor referrals.

***Please note, all requests must include the following information in order to be processed:***

- ***Name of Organization***
- ***Person to Address Shipment to***
- ***Mailing Address for delivery***
- ***Quantity Needed***
